Dear Friends:

You are *All Around Us*. And we are most grateful! Every donor who supported St. Luke's Foundation in 2016 creates the art and light illuminating our story – it begins with you.

From helping develop healthy kids and communities, to bringing hope in the fight against cancer, and recovery from the challenges of mental illness – you provide for the needs of our patients. Our mission of supporting patient care, health education and clinical research is only achieved through your provision.

In a world of constant change and uncertainty, you are our pause, our positive, our perennial promise. And knowing that generous people are all around us, we have confidence we have everything needed to face the challenges before us. The powerful impact you have on the quality of life in our region is demonstrated in this annual report.

Thank you for making healthcare a priority in your philanthropic choices. Helping to provide well-being in all ages and stages of life continues to motivate our actions, and we thank you for being all around us as a partner in our ongoing story.

In Gratitude and Good Health,

Catherine Carter Huber
Executive Director

Our Mission:

St. Luke's Foundation provides financial support to St. Luke's and the region it serves to advance patient care, health education and clinical research.

All around us,
the good
you've done
shines through.

Jean Nordland-Skomars (l) and Laura Johnson (r), St. Luke's Education Department staff, instruct students on CPR.

H E A L T H Y K I D S

F O R A

H E A L T H Y C O M M U N I T Y

LIFESTYLE CHOICES are strongly influenced by values established in early childhood. That's why St. Luke's Foundation supports the Lake Superior Medical Society Alliance's Health Fair, an elementary school health education event.

Held biennially since 1985, the field trip event gives more than 2,200 third- and fourth-grade students from Duluth, Hermantown and Cloquet experience in a variety of health-related issues, from bike helmet safety to hygiene.

St. Luke's and St. Luke's Foundation have been involved with the event since its inception as a sponsor to help make the event possible and as a participant. St. Luke's hosts a booth on CPR, where students learn about automated external defibrillator (AED) machines and how to administer CPR.

"The Health Fair provides hands-on experiences to enhance learning and introduces our youth to potential career opportunities in health care," said Eric Barto, St. Luke's director of education.

Health Fair Co-Chair Pam Franklin says informing kids about health issues at a young age is crucial to maintaining vitality in our community. "These kids are like little sponges. The more informed people are about healthcare issues, the better citizens they will be."

Your donations to St. Luke's Foundation make a difference in not only the lives of students but also their families and the community as a whole in establishing healthy choices at a young age and teaching lifesaving skills.

BRINGING HOPE TO THOSE WITH COLON CANCER

FOR RESIDENTS IN northern Minnesota, the *Sand Lake Shuffle* is an emotional and inspiring annual event. The all-night cancer walk at Voyageur's Sand Lake Resort in Britt, Minnesota, benefits organizations that support North Central St. Louis County cancer patients and their families. This includes St. Luke's Whiteside Institute for Clinical Research through the *Sand Lake Shuffle Cancer Research Fund*.

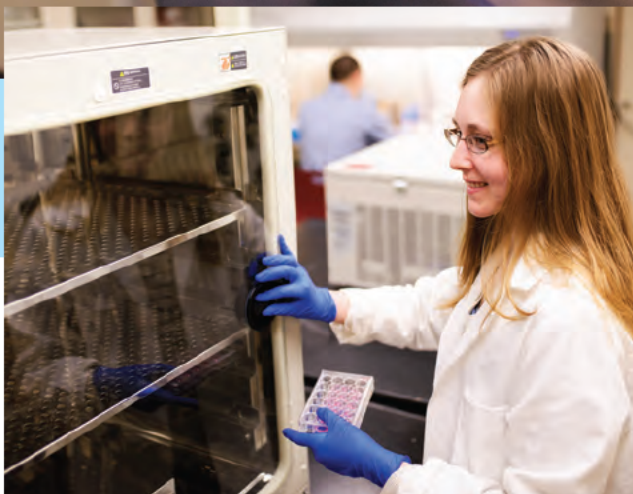

A collaboration of St. Luke's and the University of Minnesota Medical School Duluth, the Whiteside Institute supports patient-centered clinical research, with special emphasis on cancer, lung and heart diseases.

This year, the Whiteside Institute awarded \$24,865, partially funded by the *Sand Lake Shuffle Cancer Research Fund*, to support the research of Dr. Patricia Scott and

Dr. Robert Cormier at the University of Minnesota Medical School in Duluth. The fund provided support for technicians and students carrying out the work, which revealed a gene that is mutated in cystic fibrosis is also a driver gene for colon cancer.

Their work has raised the possibility that new drugs used to treat cystic fibrosis might also be effective against colon cancer. In addition, their work has also looked at how screening tests now in use to identify cystic fibrosis carriers might also be used to identify people at risk for colon cancer before the disease develops.

The impact of this research is all around us, with the potential to improve the lives of friends and family and the health of our community as a whole. And it wouldn't be possible without support of the *Sand Lake Shuffle*. "It means a lot to know that our research has the support of the community," said Dr. Scott.

Members of the Cormier/Scott laboratory at UMD carry out cancer research.

MENTAL ILLNESS: HOPE FOR RECOVERY

AWARENESS AND understanding of mental illness is growing, and with that comes increased focus on providing services to address the continuum of care. With two initiatives in the works, St. Luke's will soon be able to better care for this underserved population.

One initiative will bring transcranial magnetic stimulation (TMS) to St. Luke's. A lifesaving, non-invasive procedure, TMS uses a large magnet to stimulate certain parts of the brain to improve symptoms of treatment-resistant depression. Investing in this technology

will allow St. Luke's to provide patients with an option for depression treatment that does not involve medication, which often has significant side effects. The nearest facilities offering TMS therapy are in the Twin Cities.

"Depression is, by its very nature, treatment-resistant. TMS is one more targeted tool in our toolkit to treat this complex and debilitating disease," said Dr. David Baldes, a psychiatrist at St. Luke's.

Another initiative is to remodel St. Luke's Inpatient Mental Health Unit (3 West).

Jason Nelson, mental health nurse practitioner, and Evan Janson, Mental Health Inpatient Unit manager, discuss possible options for renovation.

Proceeds from St. Luke's Foundation's *Circle of Light* event provided funding for equipment and renovations for St. Luke's Mental Health Services.

"We have seen an increase in not only patients but also the acuity of patients," said Evan Janson, nurse manager of St. Luke's Inpatient Mental Health Unit. In 2013, the average number of patients staying in the unit at any given time was 12. Today, that number is 20.

Components of the renovation include updating equipment, enhancing therapeutic activities for patients, and remodeling the space to accommodate the increase in patients, patient acuity and safety.

Funding for these mental health projects is possible because of your support of St. Luke's Foundation's 13th annual *Circle of Light* event, which raised \$203,875.

These improvements will make a difference right here in our region, helping provide more resources for Northlanders to find the treatment they need – and deserve. The impact of your support is all around us, helping extend St. Luke's continuum of care and allowing us to treat the whole person, and in turn, the whole community.

Grants

St. Luke's
Surgical Expansion initiative
\$60,000

Campus digital sign project
\$17,723

"Honoring Choices" conference
\$1,713

In-kind gifts for patient care
\$1,287

Healing art from the Foundation for Photo/Art in Hospitals
\$5,000

St. Luke's 2W Unit
Afghans and blankets for hospice patients
\$1,850

St. Luke's 3W Inpatient Mental Health Unit and Hillside Mental Health Clinic
Inpatient Mental Health Unit renovation and Transcranial Magnetic Stimulation (TMS)
\$203,875

St. Luke's 7W Medical/Teaching Unit Council
Tools to provide safety and comfort to patients with dementia and delirium
\$730

St. Luke's 8W Inpatient Rehabilitation Unit
Used car for rehab patients to practice transfer skills
\$500

St. Luke's Breast Center
"Chicken Soup for the Breast Cancer Survivor's Soul" books for newly diagnosed breast cancer patients; "Path of the Pearl" books for breast cancer survivors; and books for kids to help them understand a parent's cancer diagnosis
\$6,043

Robes for Breast Center patients
\$5,130

St. Luke's Clinical Nutrition & Diabetes Care
Program to support community members at risk for diabetes
\$1,077

St. Luke's Education Department
21st annual EMS professionals education and recognition event
\$2,000

Support for St. Luke's employees to attend the "Culturally and Spiritually Responsive Healthcare: An Integrated Approach" Conference
\$3,000

St. Luke's Emergency Room
In-kind gifts of comfort for pediatric patients

Psychologist Mary Butler provides street outreach services for CHUM to engage and support homeless or unstably housed members of the community who have not traditionally sought nor been amenable to mental health assessment or support services. St. Luke's Foundation funding supports this psychologist position for CHUM's street outreach services.

Ways to Give

Coming together to give is crucial to St. Luke's Foundation and its mission. All gifts, no matter the size or method of giving, contribute to advancing our reach. Gift-giving options are listed below for your consideration.

OUTRIGHT GIFTS

Often the easiest to arrange, many donors support us with gifts of cash, checks, credit cards (VISA, MasterCard, American Express, Discover), securities or stocks, real estate, or in-kind gifts.

LIFE-INCOME GIFTS

One of the following trust options may be the best fit for you:

- **Charitable Remainder Annuity Trust:** A trust that pays you a set income annually.
- **Charitable Remainder Unitrust:** A trust that pays a fixed percentage of the trust's assets.
- **Charitable Lead Trust:** A trust that pays a fixed or variable income to St. Luke's Foundation for a set term, and then passes to heirs.

LIFE INSURANCE

You can name St. Luke's Foundation as the beneficiary for income tax deductions.

RETIREMENT PLAN

Name St. Luke's Foundation as the beneficiary of the remainder of the assets after your lifetime, avoiding a heavily taxed gift to heirs.

RETAINED LIFE ESTATE

Designate the ownership of your home to St. Luke's Foundation while you retain occupancy.

BEQUESTS IN WILLS

Please tell us if you have named St. Luke's Foundation in your will. We would love the opportunity to share our appreciation.

Sample bequest language for St. Luke's Foundation:

"I, (name), give, devise and bequeath to St. Luke's Foundation (written amount or percentage of the estate or description of property) for its unrestricted (without conditions attached) use and purpose."

If you want to restrict your bequest, please consult with St. Luke's Foundation when you make your will to be certain your intent can be accomplished.

GIVE ONLINE

Simply visit slhduluth.com/foundation and click on "make a donation." For more information on how you can support the mission of St. Luke's Foundation, please call Catherine Carter Huber at 218.249.2420 or send an email to ccarterhuber@slhduluth.com. We would be honored to work with you to ensure that your wishes are carried out in the manner that best meets your needs. This information is not intended as legal, tax or investment advice. For such counsel, contact an attorney or tax or investment professional.

GIFTCALCS PLANNER

GiftCalcs Planner is an interactive tool that lets you run sample gift calculations and their financial benefits to you. Visit slhduluth.com/foundation.

GIVE FROM YOUR SMARTPHONE

Text STLUKES to 41444 to give from your smartphone.
